**The Town and Country Planning (Development Management Procedure) (England)
Order 2015
Grant of Planning Permission**

Application Number: APP/17/00530

Site Address: Land to the rear of 78-80 Silvester Road, Waterloo, PO8 8TS

Proposal: **Erection of 2No. 3bed detached bungalows with a detached garage for each property.**

Further to your application received on 13 May 2017, which was valid from 19 May 2017, Havant Borough Council, as Local Planning Authority **Grants Planning Permission** for the above proposal in accordance with the submitted plans and particulars as detailed below.

This permission is subject to compliance with:

- (i) The plans and other documents submitted with regard to your application; and
- (ii) The following conditions:

Conditions:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.
- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:
PROPOSED SITE & LOCATION - A101 V7.3
PROPOSED FLOOR PLANS - A102 V7.3
AMENDED PROPOSED ELEVATIONS HOUSE A - A103 V7.3
PROPOSED ELEVATIONS HOUSE TYPE B - A104 V7.3
PROPOSED GARAGE ELEVATIONS - A105 V7.3
PROPOSED VIEWS - A106 V7.3
PROPOSED SITE SECTIONS - A107 V7.3
Reason: - To ensure provision of a satisfactory development.

- 3 No development hereby permitted shall commence until plans and particulars specifying the layout, depth and capacity of all foul and surface water drains and sewers proposed to serve the same, and details of any other proposed ancillary drainage works/plant have been submitted to and approved in writing by the Local Planning Authority. Unless agreed otherwise in writing by the Local Planning Authority, the development hereby permitted shall not be brought into use prior to the completion of the implementation of all such drainage provision in full accordance with such plans and particulars as approved by the Authority.
Reason: To safeguard the amenities of the locality and ensure that all such drainage provision is constructed to an appropriate standard and quality and having due regard to policies and proposals CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 4 Notwithstanding any description of materials in the application no above ground construction works shall take place until samples and / or a full specification of the materials to be used externally on the building and the hardsurfacing of the driveways have been submitted to and approved in writing by the Local Planning Authority. Such details shall include the type, colour and texture of the materials. Only the materials so approved shall be used, in accordance with any terms of such approval.
Reason: To ensure the appearance of the development is satisfactory and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 5 No part of the development shall be first occupied until details of the type, siting, design and materials to be used in the construction of all means of enclosure including boundaries, screens or retaining walls, have been submitted to and approved in writing by the Local Planning Authority and the approved structures have been erected in accordance with the approved details. The structures shall thereafter be retained.
Reason: To safeguard the amenities of the locality and occupiers of neighbouring property and having due regard to policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.
- 6 No above ground development shall take place until plans and particulars specifying the provision to be made for external lighting of the same has been submitted to and approved in writing by the Local Planning Authority. There shall be no external lighting on the site other than as thereby approved.
Reason: To safeguard the amenities of the locality and having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.
- 7 The parking and turning area shall be provided in accordance with the approved plans before the dwelling is first occupied and thereafter permanently retained and used only for the purpose of accommodating and turning of private motor vehicles or other storage purposes incidental to the use of the dwelling house as a residence.
Reason: In the interests of highway safety and having due regard to policy DM13 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.
- 8 Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification) no development permitted by Classes A, B, C, D and E, of Schedule 2, Part 1 of the Order shall be carried out without the prior written consent of the Local Planning Authority.
Reason: Any works to the scheme need to be carefully controlled given the limited

plot sizes and proximity to the immediate neighbouring properties, and to protect the public sewer which crosses the site in accordance with policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011.

- 9 Unless otherwise agreed in writing by the Local Planning Authority no development shall commence until a detailed scheme, and programme for its implementation for the protection of existing trees, hedgerows and groups of mature shrubs to be retained, in accordance with British Standard 5837:2012 'Trees In Relation To Construction Recommendations (or any subsequent revision), has been submitted to and approved in writing by the Local Planning Authority. The submitted scheme shall include proposals for the phasing of its implementation so that protection is provided from the commencement of demolition or site clearance works (whichever is the sooner), through to the construction works and the completion of hard landscaping works. The submitted scheme shall include the following: -
- a) Accurate trunk positions and canopy spreads of all existing trees within the site and on adjoining land adjacent to the development (with reference to the oak tree to the west of the site in the garden of 82 Silvester Road), including boundary trees.
 - b) Positions and spreads of existing hedgerows and groups of mature shrubs.
 - c) All proposed tree, hedge, shrub removal and retention.
 - d) Minimum 'Root Protection Areas' of all existing retained trees within the site and on neighbouring land adjacent to the approved development, calculated in accordance with BS 5837 recommendations.
 - e) Plans of a minimum scale of 1:200 (unless agreed otherwise by the Local Authority) showing the proposed locations of 2.3m high protective barrier/s, supported by a metal scaffold framework, constructed in accordance with Section 6 (Figure 3) of BS 5837:2012, to include appropriate weatherproof tree protection area signage (such as "Keep Out - Construction Exclusion Zone") securely fixed to the outside of the protective fencing structure at regular intervals.
 - f) Proposed ground protection measures in accordance with Section 9.3 (Figure 3) of BS 5837:2005.
 - g) Annotated minimum distances between fencing and trunks of retained trees at regular intervals.
 - h) Illustration/s of the proposed fencing structure/s to be erected.
- The development shall be carried out in accordance with the approved scheme and programme.

Reason: - In order to safeguard trees and other vegetation considered to be worthy of retention in the interests of the visual amenity of the area in accordance with policy CS16 of the Havant Core Strategy 2011.

- 10 Unless otherwise agreed in writing by the Local Planning Authority no development hereby permitted shall be begun until a detailed site specific construction method statement for all hard surfaced areas, both within the site and at 82 Silvester Road, of any description within the minimum root protection areas of retained trees calculated in accordance with British Standard 5837:2012 'Trees In Relation To Construction Recommendations', or any subsequent revision, has been submitted to and approved in writing by the Local Planning Authority. Details shall be based on a porous 'No-Dig' principle of construction, avoiding any excavation of existing levels in all areas concerned, and shall include: -
- a) An approved development layout plan identifying all areas where special construction measures are to be undertaken.
 - b) Materials including porous surface finish.
 - c) Construction profile/s showing existing /proposed finished levels together with any grading of levels proposed adjacent to the footprint in each respective structure.
 - d) Program and method of implementation.
- The Construction Method Statement shall be observed, performed and complied with.

Reason: In order to alleviate any adverse impact on the root systems and the long term health of retained trees, in the interests of the visual amenity of the area in

- 11 Notwithstanding the details shown on the approved plans, no development hereby permitted shall be commenced until a detailed soft landscaping scheme for all open parts of the site not proposed to be hardsurfaced has been submitted to and approved in writing by the Local Planning Authority. Such scheme shall specify the proposed finished ground levels in relation to the existing levels, the distribution and species of ground cover to be planted, the positions, species and planting sizes of the trees and shrubs to be planted and/or retained, and timing provisions for completion of the implementation of all such landscaping works.
- The implementation of all such approved landscaping shall be completed in full accordance with such approved timing provisions. Any tree or shrub planted or retained as part of such approved landscaping scheme which dies or is otherwise removed within the first 5 years shall be replaced with another of the same species and size in the same position during the first available planting season.
- Reason:** To ensure the appearance of the development is satisfactory and having due regard to policies CS11.1, CS11.2, CS11.4, CS12, CS16, DM8 and DM9 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework 2012.
