Comment Details

Commenter Type: Complainant

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: The access statement mentions that parking will remain the same with 2 vehicles being parked to the north of the bungalow. There are actually several vehicles usually parked on the driveway and in front of the garage including a flat bed truck and a transit van.

I often find it difficult to pull out of Stoneman Mews safely because of vehicles parked either side of our driveway and I would like assurance that the vehicles which are currently parked on the property at 40 Bushy Mead will not end up being parked on the road, making it even more difficult for the Stoneman Mews residents to safely pull out onto Bushy Mead. This also applies to builders' vehicles, I would like assurance that no builders vehicles will encroach on the Stoneman Mews access road.
