Dear Sirs

Property: 55 Horndean Road Emsworth Hampshire PO10 7PU

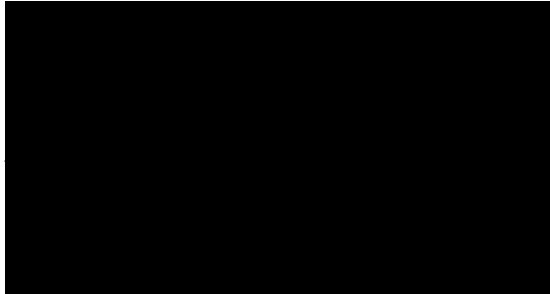

I am writing this letter in support of my neighbour's application for a certificate of lawful use to change their property's planning status from a guest house to a private residential dwelling.

My name is *Anne Hellemann* and I have lived at 63 Horndean Road Emsworth Hampshire PO10 7PU since *-Start April 1996*

Since Mr Rice and Ms Raymakers bought the property known as 55 Horndean Road Emsworth Hampshire PO10 7PU in 2000, I can confirm that they have only used the Property as a private residential dwelling and not as a guest house.

I can also confirm that the previous occupants Mr and Mrs Head owned the property from the mid 1980's and used the property as a private dwelling only.

Yours faithfully
