Dear Sirs

WHITE GATES, EDWARD GARDENS, HAVANT, PO9 3JJ

Further to your letter dated 2nd September, we confirm the following:-

- a) The floor levels within the proposed development will be set no lower than those existing.
- b) We have advised our client that all new ground floor electrical supplies should drop down from ceiling height, rather than run under floor.
- c) There will be escape windows from all the new first floor rooms.
- d) The extension is for the sole use of the incumbent family and there will be no increased burden on the emergency services.

We also enclose details for root protection for the Silver Birch.

Yours faithfully

Rebecca Nash
