What is the travel plan?

A travel plan is an initiative that aims to inform you about the different travel choices that are available. It gives help and advice so you can travel more efficiently, sustainably and cheaply.

What does the travel plan do?

- ❖ It will give you advice, information, support and guidance to choose environmentally friendly ways of travelling
- ❖ It will get you better deals with local bus companies, train companies and bicycle shops
- ❖ It listens to YOUR concerns and aims to do something about them
- ❖ It helps improve the quality of the local environment
