

I WILLIAM WALLIS
of 45, CARLTON ROAD, PORTCHESTER, HANTS
PO16 8JJ

Do solemnly and sincerely declare as follows:

I make this declaration of my own free will as a MACHINE MECHANIC / ENGINEER
TRACTOR & FARM EQUIPMENT

and would like to confirm that the mobile home that is currently situated at the end of

Croft Lane, is a recent replacement for the previous mobile home that has been

situated on that site at the end of croft lane for over 20 years. I would like to state that

the mobile home has been used as a residence continuously for over the last 12 years

and prior to that occasionally from the time the home was put on this site originally in

the early 1990's. I would also like to state that the home was connected to the same

cesspit it always had, as the top of the cesspit was marked with an old dingy that was

placed on the lid, to mark the whereabouts of the pit. I would also like to state that the

storage containers placed in front of the mobile home were placed there in early 2001

and only this summer moved from their original site to the position they are now.

I can state that to the best of my knowledge and belief the above statements are true

and make this statutory declaration conscientiously believing the same to be true and

by virtue of the Statutory Declarations Act 1835.

Declared and witnessed on this 1st day of December 2015
