Dear Sir

Proposal: Hybrid planning application comprising a part outline application relating to development for employment uses and a hotel with conference facilities and a part detailed application for a new access link road with bus gate to Woolston Road; together with landscaping, infrastructure and associated works (approved 19.02.14). Request to discharge conditions A5, A10, A11, A12, A13, A14, A16, A17, A18, B4 and B10 (05.01.16). Site: Dunsbury Hill Farm, Park Lane, Cowplain, Waterlooville, PO9 4HT. APP/12/00338

Thank you for your letter of 07/01/2016.

The submitted drawings do not show a detailed drainage layout indicating the on-site foul and surface water drainage we are therefore unable to make any recommendation relating to condition B10.

Southern Water would have no comments to make with regards to other conditions being subject of consultation.

Yours sincerely

Developer Services
