For the attention of Mr Simon Finch

Dear Mr Finch

Storage Containers
Land adjoining Croft Lane, Stoke, Havling Island

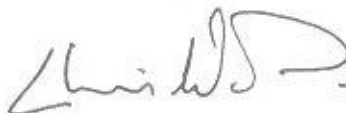

Thank you for your letter dated 10th July that I received this morning. I have passed a copy of this to Mr Butcher and invited him to consider the points you raise, and to see what further information he has available. It may be necessary for me to meet with him once he has had time to look for this.

I will reply to you as soon as I can, but anticipate that this may take 3-4 weeks. Please let me know if any issue is more urgent, or if there is any additional information that you require.

It may be helpful to me to look at the photo that you have from 1991, to see which building(s) is evident on this, so as to avoid any confusion between us. I presume that this is one of the aerial surveys commissioned by Hampshire County Council. Can you please let me know if this is accessible to me, and also if any further information is available of the meeting between Mr Butcher and your planning officer in 1992.

Please contact me if you wish to discuss any issue with me.

Yours sincerely

Chris Ward
