Mr B Flynn

Site Address: THE STABLES & LAND, CROFT LANE, HAYLING ISLAND. PO11 0LT

PROPOSAL: *Siting of an additional (second) mobile home for accommodation for an extra groom.
(Retrospective application)*

We, the undersigned, wish to present our unanimous objection to the application made to the Council by Mr Kevin Butcher on the 21st Day of January 2016 for permission to place a second caravan on the piece of land named above.

Our objection is based on the grounds that the reasons given for a second caravan are without foundation. The horses on this land are privately owned by various individuals who rent the field from Mr Butcher, all of whom tend to their horses independently without the supervision of grooms provided by Mr Butcher or anyone else. This is a small holding and totally unmerited.

We respectfully request that the Council arrange for a representative to attend the said site to assess the necessity for a second caravan in any event.

We trust that the Council will, following such a visit, exercise their judgement in a fair and sympathetic manner to the residents of this area and refuse to grant permission for a second caravan. It should also be pointed out that the residents feel aggrieved at the manner in which this site is becoming aesthetically unappealing and will undoubtedly lead to lowering the value of the surrounding properties.
