Wardale Cycle Shelter

BXMW/WAR

The versatility of the Wardale cycle shelter means that the shelter can be retro-fitted with extensions at a later date pushing the parking capacity upwards whilst keeping installation costs low.

The shelter can also be transformed into a secure compound.

Features:

- Robust modular construction featuring load bearing purlins
- Anti-climb end frames
- Adjustable feet
- Bottom purlin provides anti-crawl bar on level surface
- Hot dipped galvanized to BS EN ISO 1461:2009
- 4mm ClearView PETg UV roof and side cladding (5mm also available)

Dimensions & Capacity

- Length: 4100mm
- Width: 2140mm
- Height: 2150mm
- 4100mm Cycle Shelter will comfortably house 10 cycles
- 5000mm Cycle Shelter will comfortably house 12 cycles
