4. Description of the Proposed Development

Please describe the proposed development, including relevant information covering transport and highways impacts of the development; contamination risks on the site; and flooding risks on the site.

The current first floor area has been vacant since 2006 when it was used as office for a taxi firm.

The owner wishes to convert the self contained property to a two bedroom flat with lounge, kitchen and bathroom.

There are no impact on transport and highways as parking is contained within the property boundaries at the rear.

There are no identified contamination risks outside of the scope of the project.

There is no risk to flooding in the area as it is on raised land.

If the building was not in use on 29th May 2013, when was it last in use?

2006

Date (DD/MM/YYYY)

What was the use of the building on 29th May 2013 or the last use before that date?

The building was used for a office control room of a taxi firm.
