Dear Simon

Application No : APP/12/01233

Site Address :St Andrews House, 59-61 West Street, Havant PO9 1LB

Proposal : Conversion of existing Heritage (joinery workshop) into 6 N^o 1 Bed 2 Person, 2 N^o 2 Bed 4 Person Flats and new residential regeneration Development comprising of and 16 N^o 3 Bed 5 Person Houses (24 N^o In Total) all with associated hard & soft landscaped external works areas

Further to our original application letter dated 18th March 2016 and with regards to your subsequent letter Ref : APP/12/01233 dated 18th April 2016 concerning the above mentioned Development.

Herewith please find enclosed for your consideration and approval in regards of our proposals to change the surface finish within all private car parking spaces from Bitmac to Block Paviers : Colour : Brindle

- 4 No Copies of our Architects Site 1:200th Scale hard surfacing site layout plan 15.023.005
- 4 No copies of Civil Engineers Section 38 Highways Layout 9785-104/C6 together with construction details drawing 9785-107/C4.
- 1 No copy of your Colleague Michelle Good's e-mail dated 22/3/16 providing her confirmation of approval in respect of the aforementioned external material changes.
- 4 No copies of the requisite discharge of Planning condition application form duly completed and signed.

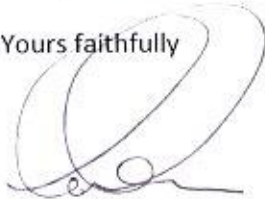

As you will note from this information the limited amount of block paving's to be used are solid concrete and therefore non-porous, with all falls of Surface Water discharge from the private car parking areas laid to Hampshire County Council Highways adoptable standard falls directly into a considerable number of immediately adjoining road gullies outlets.

Furthermore please also note in respect of our submission fee of £97 to support this application could you please provide us by email to rrouse@balfourbeatty.com a suitable invoice of your account details for our paying in purposes.

Balfour Beatty

Finally your earliest attention and approval and response to this application would be gratefully appreciated, however should you require any additional information or clarification then please do not hesitate to contact us as soon as convenient.

Yours faithfully
