

- 4** View from field boundary adjacent to Footpath 508 looking north east across arable field enclosed by mature hedgerow with pylons to the left and in the distance. View would change significantly following proposed development. Development would be clearly visible and would restrict distant views across field. Existing hedgerows would be retained and where appropriate reinforced mitigating views from outside of the site.

- 5** View from field boundary, within 20 metres of Footpath 508 looking north east. This view looks across pasture and arable fields which are enclosed by mature hedgerows. View would change significantly following proposed development. Development would be clearly visible and restrict distant views across field. Existing hedgerows would be retained and where appropriate would be reinforced to reduce views from outside of the site.
