Site Address: Hampshire Rose, 44 London Road, Widley, Waterlooville, PO7 5AG

I acknowledge receipt of your application received 23 August 2011. The application has been examined against the mandatory National Requirements and Havant Borough Council's Local Requirements and is, in our opinion, invalid for the following reason(s):

1. I am unable to determine the location of the tree which is the subject of this proposal from the sketch plan provided. Please mark position of tree on the plan provided with this letter and return for the attention of Jacky Clark. Please confirm tree species.

I must advise you that until you have been able to provide me with the above information I am unable to progress your application and the statutory period within which the Council should make its decision will not begin.

However, if you feel that the information requested above *is not appropriate or* adds nothing to the application, please provide written justification for excluding the information and this will be taken into consideration.

Should you require any additional guidance or information please see the Council's website. You are encouraged to view the detailed checklists of National and Local Requirements, which are available to view for each application type on the following webpage - www.havant.gov.uk/havant-9204.

Yours faithfully
