Dear Mr. Eaves,

Thank you for your letter of the 29th June 2012 and the opportunity to comment upon the application. Having considered the application I have no comments to make with reference to crime prevention at this time.

However, I would say that from the information supplied (no design and access statement and the plan is not clear, it does not appear to be marked with the proposed dwelling or access) it was not possible to come to any conclusions as to how the proposal might affect crime or what steps might be taken to mitigate crime.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

S York
