Comment Details

Commenter Type: Complainant

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Once again another application for more houses on our island, an island that cannot cope with the existing population, yet alone the numbers being added by the latest Barratts development of 200 houses. Our single road cannot cope with existing traffic, West Lane cannot cope with large volumes of traffic, our health centre cannot cope with existing numbers, the sewage system cannot cope, the infrastructure is overwhelmed and cannot be added to. I also understand Natural England object to more properties being built on Hayling Island. Please do not approve this planning application.
