TREE PRESERVATION ORDER / CONSERVATION AREA:

The interactive mapping facility on the Havant Borough Council website indicates that some of the trees are protected by a Tree Preservation Order. It appears that TPO1627 protects Tree 15 and Tree 16; TPO0856 protects Tree 18 (as a replacement TPO tree). However, the Havant Borough Council website states that TPO Information is published for guidance, and may not be definitive and Havant Borough Council should be consulted before undertaking any work to trees.
