Dear Mr Sadler

Thank you for consulting us on the revised plan and/or documents received in support of the above planning application.

National Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such National Highways works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

In the case of this development proposal, our interest is in the A27.

Having examined the additional information for this planning application, our response remains the same as that dated 4th November 2021 (attached for convenience), when we offered 'No Objection'.

Regards

Mrs Beata Ginn
