

Hi there, following today's Havant Thicket Reservoir Stakeholder Advisory Group meeting, please see the below link to the presentation slides from the session.

<https://havant-thicket-reservoir.uk.engagementhq.com/19578/widgets/55562/documents/61431>

Draft meeting minutes will be circulated in due course, and we will also send you the link to the website for Southern Water's consultation on its Hampshire Water Transfer & Water Recycling Project, once the site goes fully live. The consultation is due to get underway on 29 May 2024, lasting for 8 weeks. Further details are set out towards the end of the presentation pack provided above.

A reminder that we have a further main stakeholder group meeting on 9 July from 10am to 12pm, ahead of the summer holiday period. An Outlook / MS Teams invite for this will be sent out shortly.

With best regards, Joel

Joel Hufford,
Communications & Engagement,
Havant Thicket Reservoir project,
Portsmouth Water.
