

fao Lewis Oliver

Thank you for the opportunity to comment on the above planning application and apologies for the late response but I have been waiting for updated figures to ensure I can base my comments on the most up to date information.

The application site sits within the Fairfield Infant, Bosmere Junior and Warblington Secondary School catchment areas.

Although Fairfield Infant and Bosmere Junior are full (and forecast to remain so for the foreseeable future) this is down to out catchment recruitment. The anticipated yield of pupils from the development (about eight per year group) can be accommodated at the schools with the out catchment pupils being returned to their catchment schools.

Warblington Secondary School has sufficient places to accommodate the yield of pupils from this development.

Consequently I will not be seeking any contribution towards educational facilities from this development.

Kind regards,
Martin Shefferd

Please note my working days are now Monday-Wednesday
