Dear Lesley,

APP/20/01064 | Proposed 4 No. dwellings together with associated works | The Bus, Avenue Road, Hayling Island, PO11 0LX 22.0038

Thank you for consulting me on this application.

The submitted CEMP (Chevron, August 2022) collates all ecological mitigation/compensation measures as detailed in the previous ecological submissions. This includes details of measures to avoid impacts to SPA supporting habitat, as requested by Natural England.

I can confirm that the submitted CEMP is acceptable, and the applicant should ensure that all measures are implemented as described.

If you have any queries, please don't hesitate to contact me.

Kind regards,

Tristan
