Ward: Cowplain

Recommendation: **GRANT PERMISSION**

1 Site Description

The red lined application site relates to several residential curtilages within Passingham Walk and Harcourt Close, Waterloooville - namely numbers 1, 3, 4, 6, 8, 9 12, 18, 23, 24, 27, 29, 41, 45 and 50 on Passingham Walk and 1 and 4 on Harcourt Close. These properties are owned and managed by the applicant, The Guinness Partnership, and the application proposes external refurbishment works to these dwellings.

The application dwellings currently comprise high density terraced, two storey dwellings, set in a rectangular arrangement around shared open space and parking courts. The properties have shallow pitched roofs and numbers 4, 6, 8, 12, 18, 41 and 45 Passingham Walk currently have buff and pale green panels; numbers 1, 3 and 9 Passingham Walk and 1 Harcourt Close have green tile hanging; and numbers 4 Harcourt Close, 23, 24, 27, 29 and 50 Passingham Walk have white cladding. The area is made up of a series of terraced dwellings, some staggered, each terrace originally of the same design and materials, largely being pale brick with clad panels, but now interspersed by a few individual variations.

7 Planning Considerations

7.1 Having regard to the relevant policies of the development plan it is considered that the main issues arising from this application are:

- (i) Principle of development
- (ii) Appropriateness of design and impact on the character of the area
- (iii) Effect on neighbouring properties

(i) Principle of development

7.2 The application site is located within the defined urban area, therefore development is considered acceptable in principle subject to development management criteria.

(ii) Appropriateness of design and impact on the character of the area

7.3 The application properties are located in a relatively high density residential area with each terrace originally having similar materials and cohesive external appearance. But over time individual properties have been upgraded and altered and as such the area is now visually more mixed. The proposed alterations would retain the window and door opening sizes and proportions, but renew frames with white UPVC and white composite doors; and new fascias and soffit boards would be white with new black rainwater goods. All of the properties would have renewed horizontal cement lap weatherboard cladding in cream white.

7.4 These external refurbishment works proposed use traditional materials of a neutral colour which would visually blend with the appearance of the area. The upgrade in finishes of the properties would only visually enhance the streetscene and character and appearance of the area, which is therefore considered to be acceptable, meeting the requirements of Policy CS16 of the HBLP (Core strategy).

(iii) Effect on neighbouring properties

7.5 There would be no adverse impact on neighbours amenity from the proposed external refurbishment works - the properties are not being enlarged. All existing bathroom and cloakrooms windows would be renewed with obscure glass to maintain existing levels of privacy.

7.6 Consequently, it is considered that the proposal will not appear overbearing or lead to overlooking and would have limited and acceptable impact on the properties immediately adjacent to the application site and the properties opposite or to the rear, meeting the requirements of Policy CS16 of the HBLP (Core Strategy). It is noted no letters of objection were received with respect to the scheme.

8 Conclusion

8.1 The proposed external refurbishment works to the application properties would visually improve the appearance of the street scene and have limited and acceptable impact on the neighbours, and is therefore considered to be appropriate and recommended for approval.

9 RECOMMENDATION:

That the Head of Planning be authorised to **GRANT PERMISSION** for application APP/22/00960 subject to the following conditions

- 1 The development must be begun not later than three years beginning with the date of this permission.

Reason: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

Site Location Plan - Drawing Number 220324-0510-P1
House Type Identification Plan - Drawing Number 220324-0511-P1
Existing and Proposed Floor Plans (House Type A) - Drawing Number 220324-0512-P1
Existing and Proposed Floor Plans (House Type B) - Drawing Number 220324-0514-P1
Existing and Proposed Floor Plans (House Type C) - Drawing Number 220324-0516-P1
Existing Floor Plans (House Type D) - Drawing Number 220324-0518-P1
Proposed Floor Plans (House Type D) - Drawing Number 220324-0519-P1
Existing and Proposed Elevations (House Type A) - Drawing Number 220324-0513-P1
Existing and Proposed Elevations (House Type B) - Drawing Number 220324-0515-P1
Existing and Proposed Elevations (House Type C) - Drawing Number 220324-0517-P1
Existing and Proposed Elevations (House Type D) - Drawing Number 220324-0520-P1

Reason: To ensure provision of a satisfactory development.
