Hi Sam

Sorry I should have picked this up before, but the description needs changing, as not all the plots are to have PV panels installed. I would suggest the following wording:

“Application for Non-material change to Planning Permission APP/20/01093 relating to installation of PV panels to the plots shown as green blocks highlighted on drawing No. BAR-PEB-500 Rev A to accord with new Building Regulations.”

Your early reply would be appreciated.

Kind regards Lesley
