Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I strongly object to any mobile catering unit to be located on Queen Street adjacent to Dolphin Square. There are already ample catering facilities in and around the village square who need our support. These are difficult economic times for all and we need to support the owners of these pubs, coffee shops and restaurants who are all paying rates. We must support these outlets to ensure they survive and the village remains vibrant. We do not need another mobile catering unit with all the additional noise and mess that this will inevitably create in a residential road. There is a absolutely no benefit to the community with this planning application.
