Dear Sirs,

8 Lugano Close, Waterlooville, PO7 6AT

Extension of existing Dropped Kerb

Thank you for the consultation for the above application. The Highway Authority would like to make the following comments.

The Highway Authority are unable to provide a recommendation at this time, as clarification is required regarding the new access. If a new access is being proposed then a visibility splay in accordance with HCC TG3 guidance should be provided. For more information on visibility splays please see Hampshire County Council Technical guidance TG3 using the following link. [Microsoft Word - TG3 Technical Guidance Note - Stopping Sight Distances and Visibility Splays \(A1001001A17F05B10508J50123\)1.docx \(hants.gov.uk\)](#). Additionally, if the applicant is planning on extending the existing dropped kerb to facilitate this access, then this should also be shown on plans, with the total length (the existing plus the proposed) identified.

Furthermore, it is recommended to the applicant that they should be made aware that subject to any planning permission being granted by the Local Planning Authority, a subsequent agreement will need to be granted by HCC as Highway Authority to undertake the drop kerb works on the Highway. Details of this procedure can be found via the following link <https://www.hants.gov.uk/transport/parking/droppedkerbs>

Yours sincerely,

Zara Rogers

Director of Hampshire 2050
