

Do not scale off this drawing. The contractor must verify all dimensions on site before commencing any work or making any shop drawings. Do not assume existing surfaces are plumb, square or level. Any discrepancies must be reported to Thorp Design before work proceeds. Dimensions and details are to be adjusted to suit existing surfaces and structure, and any specified fixtures and fitting as necessary.

Drawings to be read in conjunction with TD GA plans, elevations and sections.

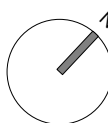

Demolition drawings based on survey information provided by others.

Strip out / demolition contractor to dismantle and dispose of safely all partitions, joinery, welfare facilities, sanitaryware, kitchen, and associated decoration, fittings and finishes as indicated on demolition plan.

All fittings, nails, screws, clips, hangers, protrusions etc to be removed and disposed of safely.

Prior to demolition an R&D survey must be carried out and if Asbestos is found, it is removed and disposed of safely by a specialist.

General: to be demolished
