Dear Mr Toole,

561 Southleigh Road, Emsworth, PO10 7TE

Extend existing crossover

I refer to the consultation on the above planning application and would make the following comments.

The proposal seeks to extend an existing dropped kerb to Southleigh Road by 1.5 metres to the west towards the junction with Hollybank Lane. The proposed extended dropped crossing is located a sufficient distance from that junction and would facilitate easier manoeuvring in to and out from the property.

Whilst HCC Highways Development Planning has no objection in principle to the extension to the proposed dropped kerb, the developer should be made aware that subject to any planning permission that may be granted by the Local Planning Authority, a subsequent permission will need to be granted by HCC as Highways Authority to undertake the dropped kerb works on the highway. Details of this procedure can be found via the following link: <https://www.hants.gov.uk/transport/parking/droppedkerbs>

Yours sincerely,

Ken Dudley
