

Good morning Mr. Toole,

Thank you for consulting Hampshire County Council's Minerals and Waste Policy Team on the below application.

Having reviewed the submitted document, produced by CF Planning, and the associated assessments, we are satisfied that the requirements of **Policies 16 (Safeguarding – mineral infrastructure)** and **26 (Safeguarding – waste infrastructure)** of the currently adopted Hampshire Minerals and Waste Plan (2013) have been met.

Therefore, we have no objection to the proposed development at Hermitage Park.

If you have any questions, please don't hesitate to contact us.

Kind regards

Andy Denton *BSc. (Hons) MSc.*
