Side Elevation

This architectural drawing shows a section of a building facade. At the top, there is a horizontal line representing the roofline. Below it, a large rectangular window is depicted with a grid pattern, suggesting multiple panes. Further down, there is a set of double doors with vertical panels and a central handle. The drawing is a simple line sketch, typical of architectural plans.

A simple line drawing of a house. It features a triangular roof with a peak at the top center. The walls are represented by two vertical lines on the left and right sides. On the left wall, there is a small chimney protruding outwards. The entire drawing is composed of black outlines on a white background.
