Dear Mr Lakhan

**Application APP/20/00990 - Havant Thicket Reservoir
Application to Havant Borough Council for approval of all Reserved Matters (siting, scale, external appearance & landscaping) related to Phase 3 Main Embankment pursuant to Condition 2**

Further to our previous discussions and helpful pre-application advice, please find enclosed with this letter an application for the approval of all Reserved Matters (siting, scale, external appearance and landscaping) of the Thicket Reservoir development pursuant to Condition 2 attached to hybrid planning permission reference APP/20/00990.

This Reserved Matters application is submitted on behalf of Portsmouth Water by Future Water, the contractor appointed for the construction of the reservoir.

Alongside this application for the approval of Reserved Matters, the Applicant has submitted a Section 73 Application seeking a number of changes to the design of the Main Embankment and associated changes to the culvert, valve tower and control house. This Reserved Matters application accords with the parameters, principles and standards set out in the Section 73 Application and should, therefore, be determined in accordance with the Section 73 Applications.

The application is submitted through the Planning Portal (reference PP-12987085) and it comprises:

- This Covering Letter
- Reserved Matters Application Form
- The application fee of £867 (plus the admin fee of £64) paid through Planning Portal (£578 x 150% paid to HBC as the application crosses the Local Authority boundary with EHDC)
- Planning Statement
- Environmental Statement of Conformity (Main Reservoir Embankment, Culvert and Valve Tower)
- 'You Said, We Did' Report (April 2024)
- Application drawings – as set out in Section 2 of the Planning Statement

A duplicate Application for the approval of Reserved Matters has been submitted to East Hampshire District Council in respect of Application 51680/001.

I would be grateful for the local planning authority's prompt validation of the application to enable consultation to begin as soon as possible and to enable its approval at the earliest opportunity.

If you have any queries on the application or require any additional information, please contact me on 07941113896 or a.turner@adamshendry.co.uk

Yours sincerely

Andy Turner
