Dear Tina,

Parkway Dental Care, 100 Bedhampton Road, Havant, PO9 3EZ

First floor rear extension to accomodate 2No. additional dental suites

I refer to your consultation in respect of the above.

According to the application form and drawings this proposal does not include alterations to either of the two existing vehicular accesses.

I note both the front and rear gardens are used for car parking. The parking plan shown on the proposed layout does not match the actual use of the rear garden parking practice as recorded in the August, 2023 Street View image.

As this is a first floor extension there will be no permanent loss of car parking spaces. The amount of parking to be provided is a matter for the LPA. I confirm the Highway Authority have no objection to this proposal.

Yours sincerely,

Ray Alborough
