

21 Oak Park Drive, Havant, PO9 2XE

21 Oak Park Drive, Havant, PO9 2XE

1. Site

- 1.1. The application site contains a detached property and is located within the built-up area of Havant.

Application Site

2. Site & Planning History

- 2.1. Havant District Council website shows 0 planning history for the application site

3. Proposal

- 3.1. The full planning application seeks to obtain permission for a dropped kerb to the front of the property and change of use from amenity space to parking. Currently there is a dropped kerb to the neighbours (No 19) property which is used to access their driveway.
- 3.2. The proposal is to create a new dropped kerb to also cover the client's property. This would entail leaving the left tapered kerb and high kerb then creating a right tapered angle with 5 flat kerbs and then a left tapered kerb. Total new length of access is 6510mm. For more details refer to Appendix A for photographs.
