Hi Rob

I confirm that the materials are bituminous felt shingles as shown in the photo or tilework to match the main roof.

The roof tile for the main roof of the building is a concrete plain tile with granular finish.

Kind regards Steve

Hi Mr Bromley

Could you confirm that the materials would feature a bituminous shingle roof as shown in the photo or tilework to match the existing roof.

Furthermore, could you confirm the roof tile that is used for the existing roof. I believe we are happy for either material, and will condition it to be either, but it would be helpful to know for the report and for sign off.

Kind regards Rob
