Dear Madam

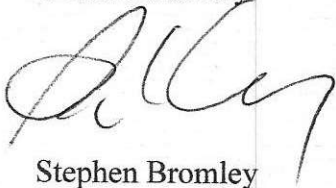

Re: 25 New Brighton Road Emsworth

We thank you for your letter dated 21st April 2022.

We attach a standard Environment Agency notification for such extensions.

With regard to the Pine trees, these are situated in the front garden and not directly affected by the work. We will nevertheless instruct the builder to erect aris fencing using non invasive supports min 1m from the trees and which must be retained there during the course of the works. We will also instruct the builder that no materials are to be stored in the front garden.

Yours Faithfully

Stephen Bromley
