Dear Sir/Madam,

Proposal: Proposed Detached Garage, Front Porch and Side Dormer
Site: 144 The Dale, Waterlooville, PO7 5DF

Thank you for your correspondence dated 05/11/2024 regarding the above planning application. Please see our comments below.

Southern Water has no objection to the discharge of condition 4.

Southern Water has undertaken a desktop study of the impact that the additional foul sewerage flows from the proposed development will have on the existing public sewer network. This study indicates that these additional flows may lead to a minor increased risk of impact on the sewer network. Any network reinforcement that is deemed necessary to mitigate this will be provided by Southern Water with no further input from the developer, therefore a connection may be made to our network.

Southern Water endeavors to provide reinforcement within 24 months of planning consent being granted (Full or Outline).
