Subject: Rest Home - Trees

Hello David

Further to our discussion today please find some suggested wording below:

Your attention is drawn to the fact that there are a number of trees adjacent to this site located within Hayling Park.

Therefore prior to any decision issued (or development on site) the council requests that a TPP is provided as part of the application to ensure these trees are not damaged by construction.

It is the owners' responsibility to ensure that the trees are fully protected - both above and below ground. It is strongly advised that the services of an Arboricultural Consultant are sought so as the tree constraints are known and a TPP submitted.

HTH

Cheers
J
