Hi Jenna,

I've just checked but can't see any new responses. However, even though I see the discharge of condition details were received 24th September, the case was not filed with me until 11th October, so the earliest the consultees might have responded was last week. I will see if I can get hold of them for an update.

Given the slight delay from when the application was received to when it went to the consultees, are you happy to agree an Extension of Time to 6th December?

Kind regards,

Jennie Fox
