Dear Sir/Madam,

Application No: APP/24/00246

Address: Unit 1, Victoria Road, Waterlooville, PO7 7ET

Description: Outline application following demolition of the existing bungalow and commercial property construction of 22 one and two bedroom apartments with refuse and cycle storage, car parking and soft and hard landscaping.

Thank you for consulting Hampshire County Council as Local Education Authority on the above planning application, which has been passed to me for comment.

The proposed development of 22 dwellings is expected to generate a total of additional 7 primary age children and 5 secondary age children. This is based on a figure of 0.3 primary age and 0.21 secondary age children per new eligible dwelling which was derived by conducting demographic surveys of developments that have been completed within Hampshire and calculating the average number of primary and secondary age children on those developments.

The development site is within the catchment area of Mill Hill Primary School. This school is currently full and is forecast to be full in the future, we would not propose to expand this school due to site constraints. There is capacity within the planning area to take the potential yield from this development. Therefore, I will not be seeking contributions towards primary provision.

The development site is served by Crookhorn College School. As there is capacity within the area to be able to accommodate the additional children that will be yielded from this development I will not be seeking contributions towards secondary provision.

If you have any queries concerning the above, or wish to discuss this matter, please do not hesitate to contact me at strategicplanningunit@hants.gov.uk

Yours faithfully,

Katie Eason

On behalf of the Director of Children's Services
