For attention of Mrs Sheath

Dear Sirs

Re: APP/24/00905 At 24 Park Road South, Havant, PO9 1HB

Display of 2No. Illuminated Fascia signs affixed to brickwork between ground & first floor.

I refer to the consultation relating to the above planning application and would make the following comments.

The proposal relates to the replacement of two existing signs attached to the building frontages with two new non illuminated signs, being located in the same locations and being of the same dimensions. The Highway Authority are therefore satisfied that the new signs would not offer any significant distraction to highway users and would therefore recommend –

No objection (no conditions)

Yours faithfully,

Ken Dudley
