Subject: RE: Planning Application APP/22/00327 23 New Brighton Road, Emsworth, PO10 7PR

Hi Lewis,

Please consider this email as an arboricultural consultation response on the above planning application.

There are several statutorily protected trees to the front of the property and on neighbouring land that are likely to be affected by the proposals. On that basis it is recommended that the applicant is asked to provide further information in support of the proposals for our consideration prior to a decision being made on this application. This should be in the form of an arboricultural impact assessment and method statement in accordance with BS5837:2010.

Kind regards,

Thomas Gregory DipArbL4 (ABC) TechArborA
