For attention of Ms Pickup

Dear Sirs

Re: APP/24/00645 At 21 Mengham Road, Hayling Island, PO11 9BG

Roof conversion/extensions to create 1no. apartment and associated works.

I refer to the consultation on the above planning application and would advise that as the application is for a single two bedroom apartment, and that there is no required change of vehicle access onto the highway, HCC's Highway Standing Advice should be referred to in the first instance. This can be viewed via the following link under the heading Consultation with the Highway Authority - <https://www.hants.gov.uk/transport/developers/consultation>

The Highway Authority are satisfied that the likely traffic generation from the proposed apartment would not result in a detrimental impact on the operation and safety of the local highway network.

Yours faithfully,

Ken Dudley
