Dear Sirs,

8 Lugano Close, Waterloooville, PO7 6AT

Extension of existing dropped kerb.

Thank you for the re-consultation for the above application. The Highway Authority would like to make the following comments.

Additional information has been submitted, which includes a revised access drawing indicating there is to be a new dropped kerb. Visibility splays for the new access have been provided, however it should be noted that these are not in accordance with HCC TG3 guidance. However, in light of the above, the Highway Authority has no objection to the above application.

Furthermore, it is recommended to the applicant that they should be made aware that subject to any planning permission being granted by the Local Planning Authority, a subsequent agreement will need to be granted by HCC as Highway Authority to undertake the drop kerb works on the Highway. Details of this procedure can be found via the following link <https://www.hants.gov.uk/transport/parking/droppedkerbs>

Yours sincerely,

Zara Rogers
