Reason: To ensure provision of a satisfactory development.

- 3 Notwithstanding any description of materials in the application no above ground construction works shall take place until samples and / or a full specification of the materials to be used externally on the buildings have been submitted to and approved in writing by the Local Planning Authority. Such details shall include the type, colour and texture of the materials. Only the materials so approved shall be used, in accordance with any terms of such approval.

Reason: To ensure the appearance of the development is satisfactory and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 4 No development shall take place until a Construction Traffic Management Plan specifying the following matters has been submitted to and approved in writing by the Local Planning Authority:

The provision to be made within the site for:

- (i) construction traffic access routes
- (ii) the turning of delivery vehicles
- (iii) provisions for removing mud from vehicles
- (iv) the contractors' vehicle parking during site clearance and construction of the development;
- (v) a material storage compound during site clearance and construction of the development.
- (vi) adequate provision for addressing any abnormal wear and tear to the highway
- (vii) a programme for construction

Thereafter, throughout such site clearance and implementation of the development, the approved construction traffic access, turning arrangements, mud removal provisions, parking provision and storage compound shall be kept available and used as such.

Reason: To safeguard the amenities of the locality and in the interests of traffic safety and having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 5 Prior to the occupation of the development the traffic calming measures as outlined on plan B/LIDLPUROBROOKWAY2.1/06 Rev H, shall have been fully installed and be operational at all times, unless otherwise agreed in writing by the Local Planning Authority.

Reason: To safeguard the amenities of the locality and in the interests of traffic safety and having due regard to policies CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 6 The car and cycle parking, servicing and other vehicular access arrangements shown on the approved plans to serve the development hereby permitted shall be made fully available for use prior to the development being first brought into use and shall be retained thereafter for their intended purpose.

Reason: In the interests of highway safety and having due regard to policy DM14 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 7 The soft landscaping scheme shall be carried out in accordance with the approved plans, DETAILED SOFT LANDSCAPE PROPOSAL JSL3712-RPS-XX-EX-DR-L-901 P09, LANDSCAPE MANAGEMENT PLAN & MAINTENANCE SCHEDULE JSL3712-RPS-XX-EX-RP-L-904 P03 - 21 January 2022 and timetable for provision unless otherwise agreed, in writing, by the Local Planning Authority. Any tree or shrub planted or retained as part of such approved landscaping scheme which dies or is otherwise removed within the first 5 years shall be replaced with another of the same species and size in the same position during the first available planting season, unless agreed in writing by the Local Planning Authority.

Reason: To ensure the appearance of the development is satisfactory and having due regard to policies CS11 and CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework

- 8 Prior to any demolition, construction or groundwork commencing on the site the approved tree protective measures, including fencing and ground protection, as shown on the Arboricultural Impact Appraisal and Method Statement TREE SURVEY & ARBORICULTURAL IMPACT ASSESSMENT JSL3712_770 dated 1/4/21 shall be installed. The Council's Arboricultural Officer shall be informed once protective measures have been installed so that the Construction Exclusion Zone (CEZ) can be inspected and deemed appropriate and in accordance with Tree Protection Plan (telephone 023 92 446525). No arboricultural works shall be carried out to trees other than those specified and in accordance with the submitted Tree Survey. Within the fenced area(s), there shall be no excavations, storage of materials or machinery, parking of vehicles or fires.

Reason: To ensure the enhancement of the development by the retention of existing trees and natural features during the construction phase in accordance with the objectives of the National Planning Policy Framework and Policy CS16 of the Havant Borough Local Plan (Core Strategy) 2011.

- 9 The hardsurfacing shall be carried out in accordance with the approved plans, PROPOSED SITE PLAN FINISHES 210618_19139_AD 115 REV C External Works, in accordance with a timetable to be submitted to and approved in writing by the Local Planning Authority before works proceed above ground level, unless otherwise

agreed in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.

Reason: In the interests of the amenities of the locality and having due regard to policies CS1, CS16, and DM8 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 10 Development shall proceed in accordance with the ecological avoidance, mitigation, compensation and enhancement measures detailed within the submitted Preliminary Ecological Appraisal (RPS, October 2020), Dormouse and Bat Survey report (RPS, September 2021) and Ecological Technical Note (RPS, 8 February 2022) unless otherwise agreed in writing by the Local Planning Authority. All measures shall be implemented as per ecologists' instructions and ecological enhancement features shall be retained in perpetuity in the agreed locations.

Reason: To protect biodiversity in accordance with the Conservation Regulations 2017, Wildlife & Countryside Act 1981, the NERC Act (2006), NPPF and Policy CS11 of the Havant Borough Core Strategy March 2011.

- 11 The drainage system shall be constructed in accordance with the Flood Risk Assessment & Drainage Strategy ref: A/LIDLHAVANT.10. Surface water discharge to the surface water sewer shall be limited to 3.0 l/s, unless otherwise agreed in writing by the Local Planning Authority. Any revised details submitted for approval must include a technical summary highlighting any changes, updated detailed drainage drawings and detailed drainage calculations.

Reason: Without the provision of an appropriate surface water connection point the development cannot be appropriately mitigated and having due regard to policies and proposals CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

- 12 Prior to the commencement of any specific phase of development approved by this planning permission (other than demolition, site clearance, or any other date or stage in development as may be agreed in writing with the Local Planning Authority), an assessment of the nature and extent of contamination at the site, whether originating from within or outside the curtilage, shall be submitted to and approved in writing by the Local Planning Authority.

The assessment may comprise separate reports as appropriate, but shall be undertaken by competent persons and unless specifically excluded in writing by the Local Planning Authority, shall include;

1) An intrusive site investigation based on the proposals outlined in Remada Ltd Phase 2 Ground Investigation Ref; 770.02.02 October 2020; to provide sufficient data and information to adequately identify & characterise any physical contamination on or affecting the site, and to inform an appropriate assessment of the risks to all identified receptors.

2) The results of an appropriate risk assessment based upon the 770.02.02 report & (1), and where unacceptable risks have been identified, a Remediation Strategy that includes;

- * appropriately considered remedial objectives,
- * an appraisal of remedial &/or risk mitigation options, having due regard to sustainability, and;
- * clearly defined proposals for mitigation of the identified risks.

3) A verification plan providing details of the data that will be collected in order to demonstrate that the works set out any Remediation Strategy required under (2) are

complete, identifying any requirements for longer-term monitoring of pollutant linkages, maintenance of engineered mitigation measures, and arrangements for contingency action.

All elements shall be adhered to unless agreed in writing by the Local Planning Authority.

Reason: The Phase 2 report has identified indications that contamination is present at the site, but the spatial extent & volume of soil affected is unclear. Unacceptable risks to future employees of the site are possible. Soil gas has been shown to poses a potentially unacceptable risk to health in enclosed spaces, and requires mitigation measures appropriate to CS2 to be implemented. This is in line with Policies DM10 of the Havant Borough Local Plan (Core Strategy) 2011, DM17 of the Havant Borough Local Plan (Allocations) 2014, and paragraphs 178-180 of the National Planning Policy Framework.

- 13 Prior to the occupation of any relevant part of the permitted development, any verification report required in accordance with condition 12 above shall be submitted to and approved in writing by the Local Planning Authority.

The report shall include results of sampling and monitoring carried out in accordance with the approved verification plan, and must demonstrate that site remediation criteria have been met. Where longer-term monitoring of pollutant linkages is identified as being necessary, the report shall clearly set out plans for monitoring, provision for maintenance, relevant triggers and contingency actions (a "long-term monitoring and maintenance plan").

The long-term monitoring and maintenance plan shall be implemented as approved.

Reason: The Phase 2 report has identified indications that contamination is present at the site, but the spatial extent & volume of soil affected is unclear. Unacceptable risks to future employees of the site are possible. Soil gas has been shown to poses a potentially unacceptable risk to health in enclosed spaces, and requires mitigation measures appropriate to CS2 to be implemented. This is in line with Policies DM10 of the Havant Borough Local Plan (Core Strategy) 2011, DM17 of the Havant Borough Local Plan (Allocations) 2014, and paragraphs 178-180 of the National Planning Policy Framework.

- 14 Notwithstanding the provisions of Part 7, Class A of Schedule 2 to the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revising, revoking and re-enacting that Order) no enlargement by way of extension, installation of a mezzanine floor or other alteration to any building the subject of this permission shall be carried out without express planning permission first being obtained.

Reason: In the interest of preserving the vitality and viability of neighbouring District Centres in accordance with the NPPF and policy CS4 of the Havant Borough Local Plan (Core Strategy) 2011.

- 15 Before the development commences, written documentary evidence demonstrating that the development will achieve at minimum 'Very Good' against the BREEAM Standard, in the form of a design stage assessment, shall be submitted to and agreed in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.

Reason: To ensure the development contributes to sustainable construction in

accordance with Policy CS4 of the Havant Borough Local Plan (Core Strategy) 2011.

- 16 Within 6 months of any part of the development first becoming occupied, written documentary evidence proving that the development has achieved at minimum 'Very Good' against the BREEAM Standard in the form of post construction assessment and certificate as issued by a legitimate BREEAM certification body shall be submitted to the Local Planning Authority for its approval.

Reason: To ensure the development contributes to sustainable construction in accordance with Policy CS4 of the Havant Borough Local Plan (Core Strategy) 2011.

Other Important Information:

- (1) This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please phone 023 9244 6571.
- (2) Your attention is drawn to the attached information regarding firstly your right to appeal to the Planning Inspectorate, if you are aggrieved by the Council's decision, and secondly the rights of an owner to, in certain circumstances serve a purchase notice on the Council. See www.planningportal.gov.uk/pcs.

In this instance:

- You sought and were provided with pre-application advice,
- You were updated about issues after the initial site visit

- (5) Southern Gas Networks - Overbuild Advisory Note

There are a number of risks created by built over gas mains and services; these are:

- *Pipework loading - pipes are at risk from loads applied by the new structure and are more susceptible to interference damage.*
- *Gas entry into buildings - pipework proximity increases risk of gas entry in buildings. Leaks arising from previous external pipework able to track directly into main building from unsealed entry.*
- *Occupier safety - lack or no fire resistance of pipework, fittings, or meter installation. Means of escape could be impeded by an enclosed meter.*

Please note therefore, if you plan to dig, or carry out building work to a property, site, or public highway within our gas network, you must:

1. *Check your proposals against the information held at <https://www.linsearchbeforeudig.co.uk/> to assess any risk associated with your development and*
2. *Contact our Plant Protection team to let them know. Plant location enquiries must be made via email, but you can phone us with general plant protection queries. See our contact details below:*

Phone 0800 912 1722 / Email plantlocation@sgn.co.uk

In the event of an overbuild on our gas network, the pipework must be altered, you may be temporarily disconnected, and your insurance may be invalidated.

Further information on safe digging practices can be found here:

- *Our free Damage Prevention e-Learning only takes 10-15 minutes to complete and highlights the importance of working safely near gas pipelines, giving clear guidance on what to do and who to contact before starting any work*

(6) This permission was granted subject to a planning obligation agreement made under Section 106 of the Town & Country Planning Act 1990 dated 30th November 2022 which requires:

1. Payment of a Travel Plan Bond, Monitoring Fee and Approval Fee
2. S106 monitoring fee
3. Management and maintenance plan for the lifetime of the development for SuDs and bond.
4. A contribution in relation to traffic management (max. £7000)
5. Employment and Skills Plan
6. Travel Plan (HCC)
7. Highway Works (HCC) - £124,500 contribution towards pedestrian and cycle improvements along Purbrook Way. This figure was based on schemes identified within the emerging Havant Local Cycle and Walking Infrastructure Plan (LCWIP) along Purbrook Way which would improve pedestrian and cycle facilities for existing users and users of the new store.
8. Enter into a S278 Agreement with the Highways Authority to secure works to roundabout and the pedestrian/cycle link from the site to Purbrook Way

TOWN AND COUNTRY PLANNING ACT 1990

NOTIFICATION TO BE SENT TO AN APPLICANT WHEN A LOCAL PLANNING AUTHORITY REFUSE PLANNING PERMISSION OR GRANT IT SUBJECT TO CONDITIONS

- These notes are for information only and do not purport to set out the law on the subject.
- Only the applicant possesses the right of appeal.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months [12 weeks in the case of a householder appeal] of the date of this notice, whichever period expires earlier.
- If this is a decision to refuse planning permission for a householder application and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse planning permission for a minor commercial application and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
- If this is a decision to refuse express consent for the display of an advertisement and you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.
- If this is a decision to refuse consent to work on a tree which is subject to a Tree Preservation Order and you want to appeal against your local planning authority's decision then you must do so within 28 days of the date of this notice.
- If this is a decision to refuse any other type of application and you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.
- **Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.**
If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.
- The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry, then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)
