Dear Ms. Sheath,

3 The Clock House, 83-91 London Road, Waterlooville, PO7 7HE

**Replace 1No projecting signage with new illuminated 500mm projecting sign.
Replace 1No fascia and 1No logo with 1No new illuminated fascia in blue with
385mm logo height.**

**Replace 1No ATM surround with new (illuminated) surround and decals. Other
non illuminated signage to
include replacement statutory signage; new window message "A good way to
bank" and replacement
safety manifestation.**

I refer to your consultation in respect of the above.

This proposal is to update the occupiers logo, as such there is not a significant change from the existing. I therefore confirm the Highway Authority have no objection subject to the following condition :-

The maximum level of illuminance shall be 250cd/square metre.

Yours sincerely,
