Havant Borough Council as Local Planning Authority hereby PART APPROVES the submitted application as meeting the information requirements of the following Conditions of Planning Permission APP/21/00405.

The conditions in respect of which information has been submitted are:

Condition 4:

No development shall take place on a phase of the development until details of existing and finished floor and site levels relative to previously agreed off-site datum point(s) for that phase have been submitted to and approved in writing by the Local Planning Authority. The development shall be undertaken in accordance with the approved details.

Reason: To ensure that the development has an acceptable impact on the character and appearance of the area having due regard to policies CS16 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

Details submitted:

Proposed Car Park Levels Drawing No. SK39 Rev A

Extent of Condition Discharge: Phase 2a (as set out in planning permission Ref: APP/22/00615).

Condition 7:

With the exception of demolition works, no development hereby permitted shall commence on a phase of the development until plans and particulars specifying the layout, depth and capacity of all foul and

surface water drains and sewers proposed to serve the same, and details of any other proposed ancillary drainage works/plant (e.g. pumping stations) for that phase have been submitted to and approved in writing by the Local Planning Authority. The surface water drainage scheme for each phase shall specify the measures for ensuring that potential pollutants from the site do not impact the wider water environment. Unless agreed otherwise in writing by the Local Planning Authority, the relevant phase of the development hereby permitted shall not be brought into use prior to the completion of the implementation of all such drainage provision for that phase in full accordance with such plans and particulars as are thus approved by the Authority.

Reason: To safeguard the amenities of the locality and ensure that all such drainage provision is constructed to an appropriate standard and quality to reduce flood risk and protect the wider water environment having due regard to policies CS15, CS16 and DM10 of the Havant Borough Local Plan (Core Strategy) 2011 and the National Planning Policy Framework.

Details submitted:
