Dear Sir/Madam,

Proposal: Application for the approval of Reserved Matters in respect of Shaft 1 (the Phase 1 Scheme) pursuant to Condition 2 of the outline planning permission under planning reference APP/20/00991 dated 15th October 2021 for the Pipeline from Bedhampton Springs to Havant Thicket Reservoir.

Site: APP/24/00204: - Bedhampton Pumping Station, Meyrick Road, Havant.

Thank you for your letter dated 01 May 2024.

Further to our response dated 15 April 2024 and additional information provided by the developer regarding public sewer easements, Southern Water would have the following comments to make:

Southern Water would have no objections to the reserved matters application submitted by the applicant.

The submitted plan indicating easements to public foul and surface water sewers would be satisfactory to Southern Water.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).
