**Town and Country Planning (Development Management Procedure) (England) Order 2015
Discharge of Conditions Application - Split Decision**

Application Number: APP/19/01226

Site Address: Land west of Coldharbour Farm Road, Emsworth

Description: Construction of 44 dwellings with access, open space, landscaping and associated work and diversion of footpath No. 71 to the west (Approved 22/03/2024). Request to Discharge Conditions 10, 11, 12, 13, 14, 16, 17, 19, 20, 23 and 25 (28/06/2024).

This decision relates to your request to discharge conditions which was valid from 28 June 2024.

Havant Borough Council as Local Planning Authority hereby APPROVES the submitted application as meeting the information requirements of the following Condition of Planning Permission APP/19/01226.

The condition in respect of which information has been submitted is condition 23:

This condition is part discharged:

Condition 23:

The development hereby permitted shall not be occupied until:

- (a) A water efficiency calculation in accordance with the Government's National Calculation Methodology for assessing water efficiency in new dwellings has been undertaken which demonstrates that no more than 110 litres of water per person per day shall be consumed within the development, and this calculation has been submitted to, and approved in writing by, the Local Planning Authority; and

Reason: There is existing evidence of high levels of nitrogen and phosphorus in the water environment with evidence of eutrophication at some European designated nature conservation sites in the Solent catchment. The PUSH Integrated Water Management Strategy has identified that there is uncertainty as to whether new housing development can be accommodated without having a detrimental impact on the designated sites within the Solent. Further detail regarding this can be found in the appropriate assessment that was carried out regarding this planning application. To ensure that the proposal may proceed as sustainable development, there is a duty upon the local planning authority to ensure that sufficient mitigation is provided against any impacts which might

arise upon the designated sites. In coming to this decision, the Council have had regard to Regulation 63 of the Conservation of Habitats and Species Regulations 2017, Policy CS11 of the Havant Borough Local Plan (Core Strategy) 2011.
