Subject: RE: Tournerbury Woods - Wedding Venue

Dear Steve

Further to our recent discussions and the voice message left for you this morning, please find attached, with appendices, my final letter responding to matters raised against our planning application at Tournerbury Woods.

With all awaited responses from Natural England to hand, you should not require any further information to that attached, to prepare your officer report.

Please advise when the report is likely to be prepared and the application determined. Is it possible the application could be considered at the next meeting of the planning committee on 1st September, for which the SVWP is proposed on 25th August?

Best regards

Haydn
