Dear Steve

In advance of the Committee meeting on Thursday evening, I am requested to forward to you further evidence statements, and request that they be placed on the application website.

1. Photo of Visitor Sign
2. Tournerbury Farm is not a Farm (Parts 1 &2)
3. Response to AGP Ltd commentary on amenity loss
4. Tournerbury Farm – Further breaches of planning control
5. Plan of current status of Chichester Harbour SSSI from Natural England Research

I am not expecting you to read and fully digest these in detail before committee but they do contain information which will usefully be on file for both parties, should we indeed have to appeal. The documents are important in providing evidence to counter claims made by others about Environmental harm, and from AGPhillips and Son Ltd about the working character of Tournerbury Farm and the loss of private amenity claimed.

For your own information I also attach a copy of my committee deputation to which I will be speaking on Thursday.

Best regards

Haydn
