Thank you for your consultation on the above planning application. The Highway Authority wish to make the following comments.

Due to the scale of the proposal and that there is no change to the vehicular access, HCC's standing advice should be referred to in the first instance. As a result, the Highway Authority will not provide detailed comments on this planning application. For more information on standing advice please use the following link: www.hants.gov.uk/transport/developers/consultation

Yours faithfully,
